PIXEDEN // Font ICON DETAILS

Open *reference.html* to see a list of all the glyphs in the icon
font.

Open *documentation.html* for details on how to use the icon font.

FEEDBACK:
We want our icon fonts to be as good as they can be.
If you have issues, recommendations, ideas for new icons please let us
know here:

PIXEDEN // Resource license terms

All our resources are royalty free for use in both personal and
commercial projects.

You can modify any resources to your liking to fit into your project,
we are however not legally liable for any misuse of our resources.

We do not ask for you to include any attribution or link back to
Pixeden.com, we do however appreciate if you do credit our resources
or/and help spread the word about us.

You cannot however redistribute, resell, lease, license, sub-license
or offer our resources to any third party. This includes uploading our
resources to another website, marketplace or media-sharing tool, and
offering our resources as a separate attachment from any of your work.
If you do plan to include one of our resource on an item or template
that will be sold on a website or marketplace, we ask of you to
contact us to determine the proper use of our resource before doing
so.

Premium files downloaded with a premium account can be used in a item
or website template sold through a marketplace or directly on a
website with no attribution required. You cannot however resell or
redistribute those premium files as is. Please contact us before using
those files in this way to ensure that you abide by our license.
IMPORTANT you cannot use any resources from the psd web templates
category to create a website theme or template to be sold. They can
only be used for personal and commercial projects.

If you would like to share one of our resource you can do so making a
link to the specific resource page on Pixeden.com or/and use our
preview images. No HOTLINKING is allowed i.e. you cannot make a direct

link to the download or/and the images hosted on Pixeden.com.
